

LAND AND PROPERTY MANAGEMENT AUTHORITY NSW

MISCELLANEOUS BUSINESS SERVICES CONSULTATION & CONTRACTING PANEL

Doll Martin Associates is pleased to announce that it has been awarded **Accredited Supplier** status in the Miscellaneous Business Services Consultation and Contracting Panel of the Land and Property Division (LPI) of the Land and Property Management Authority (LPMA) of NSW. LPI is responsible for a wide range of land administration services including titling, valuation, surveying and other spatial information. This Panel provides miscellaneous business services plus consultative and contracting advice and assistance to the operations of LPI throughout NSW.

LPI sought experienced, client focused service providers for this Panel who know how Government operates, are excellent communicators with high level analytical skills and possess relevant business knowledge. The service providers also require a good track record in miscellaneous budget service provision, and their service and assignment delivery is on time and on budget.

The general consulting services for which DMA is accredited to supply include:

- ✓ **Strategic Advice & Business Planning**
- ✓ **Business Documentation Preparation**
- ✓ **Business Analysis**
- ✓ **Change management & transformation services**
- ✓ **Business process, rules, structural and workflow planning and implementation services**
- ✓ **Technical support**
- ✓ **Administration support**
- ✓ **Goods & services delivery**
- ✓ **Learning & development**

Doll Martin Associates is proud of its record in the NSW public sector and we have performed a broad spectrum of consulting assignments for NSW Agencies since our establishment in 1983. Our extensive consulting experience covers all of these service components. We are able to supply skilled, experienced and pragmatic consultants who bring with them decades of knowledge and practice.

Doll Martin Associates brings a strong methodological base to its work. We believe in producing a sound, broadly applicable, long term and usable project outcome that is consistent with our client's corporate objectives and priorities.
